

# ART2gether

## Graffiti Street Art. - Youth Exchange

**dates:** 13-21.07.2019 (13 and 21 travel days) **place:** Nasutów (Poland)

**for who:** 18-30 years old youth interest art

**participants:** group of 4 participants + 1 leader

art. 2 gether is a six-day youth exchange, focusing on graffiti as a medium for exchanging views, to raise social problems and to show emotions and feelings. This exchange distinguishes vandalism from art, exchange focusing on legality, exchange of viewpoints, exchange of experiences, experiences related to different culture, traditions and upbringing. It's learning to express opinions, accept criticism and constructively express it. Common 7 days is a joint work on communication without barriers, regardless of religion, skin color, creating art is freedom. During the workshops, from a practical point of view, young people will learn how to create projects, how to use sprees, what different endings are for, how to create characters, learn different styles and finally create their own paintings
