BACKGROUND AND EXPERIENCE

Please briefly present the partner organisation.

PerCorsi Worknstudy is an intermediary organisation since 2009 managed by professional figures who work to help students to have an intercultural mind and to improve their working competences and skills. Our mission is to give students opportunities to face a **different cultural reality**, to challenge themselves for **personal enrichment**, to acquire **professional technical skills**, to improve **foreign languages** and to **strengthen employability for developing career prospects**.

Our offer combines language courses with labour experiences in the frame of **Erasmus+ VET and staff mobility programmes**, focusing on the powerful opportunity of European projects.

What are the activities and experiences of the organisation in the areas relevant for this application?

PerCorsi Worknstudy commits to organise traineeship with businesses and schools of Monza e Brianza area according to the trainees background, knowledge, skills, competences and training objectives.

The intermediary organisation, will provide accomodation, airport transfer and tutoring before, during and at the end of the stay. It will make sure to give the appropriate assistance to trainees through informal meeting during the stay, it will also help the students with practical information about the area and organising daily trips around the province. PerCorsi Worknstudy has its own residence "Corte del Fuin", which is located above the school, along with a network of other accommodation which it collaborates with.

Please give information on the key staff/persons involved in this application and on the competences and previous experience that they will bring to the project.

Our staff with a strong travel background, knows what to live in a foreign country means, so they will make you feel at home.

In this project will be involved PerCorsi Worknstudy department :

Project Manager Elena Confalonieri is the founder of PerCorsi a school which offers language courses and other activities for free time. Elena manages PerCorsi school and she directs Worknstudy project hosting students and staff with Erasmus+ grants. She has been tutoring the beneficiaries of mobility programmes for their practical training in companies since 2009. She is in charge of the language courses in the school and she supports students during the learning programme.

She's been working in the educational field since 2004 as English teacher for kids in preschools of Monza e Brianza as well as Spanish teacher for adults. She spent three years in England where she has got a bachelor's in English and Spanish languages. She has got a Master Degree in Events Management in Spain, Seville.

Elena is Italian mother tongue and she speaks Spanish and English fluently.

Head of Marketing and Communication Serena Salmaso is in charge of the administrative part during the all stay. Serena provides the partners with the necessary documents, sending information about the work placement, giving details about the traineeship programme and assisting the trainees during the stay, evaluating, monitoring and developing reports. She will support Elena with all the organisation documents and with the activity plan for the trainees. She has got a degree in Intercultural Communication with a Language specialisation.

She is Italian mother tongue and she speaks English fluently and Spanish.
