About

Super Tineri (ASIRYS) Association is a non-profit and non-political organization, established in 2009 in Romania, which aims to **develop communities through active participation, volunteering, cultural and non-formal education.**

Vision of ASIRYS: to engage citizens, especially youth, in order to develop them into leaders of positive and sustainable change for their communities.

Mission of ASIRYS: to support the development of small communities.

ASIRYS is one of the **most active youth and community development association from North-East Romania**, and has an important portfolio of good practices in volunteering, non-formal education, youth-working and European cooperation.

ASIRYS worked with Youth in Action, Erasmus +, Leader, Norway funds and different national grants. In the last 10 years, ASIRYS organised more than **260 projects** in partnership with European organisations and implemented 18 international projects in Romania.

TESTIMONIALS

"I am doing a 12 months long EVS in Tîrgu Frumos, Iași, Romania with Asirys - Super Tineri and I would like to share some reasons why everyone should do an EVS.

- 1) You will improve your English and learn a new language.
- 2) You will meet new people.
- 3) You will receive organisational and financial support, so you are free to develop yourself.
- 4) You will create your events and learn more about your interests.

Your reason for volunteering should be the chance to practice the things you love while helping others."

About

Tîrgu Frumos city, the central place where ASIRYS have the office, is located in Moldova region of Romania. From the geographic point of view, the city is located at the intersection of major roads connecting cities as Pașcani, Iași, Roman and Hârlău. Located on the main road to Iași, the town was mentioned in the testimonies of many foreign travelers.

Even the main office is located in Tîrgu Frumos, the association is organizing activities and projects in different villages and cities of Romania, cooperating with local authorities, schools and other NGOs.

The town of Tîrgu Frumos has a diverse population of 10 000 inhabitants: Romanians (79% of population), Roma (9% of population) and Russians (10% of population); 30% of the city's population consists of young people aged between 15-25 years.

In 2015, in Tîrgu Frumos was discovered a Cucutenian altar, with a history of more than 5,000 years. The city has a museum related with this ancient and mysterious culture, called Cucuteni - Trypillian culture, which lived in Eastern Europe thousands of years ago. They left behind a number of intriguing ancient artifacts, destroyed settlements, and sacred sanctuaries. Tîrgu Frumos area is famous for the clay buildings and pots, some of them still intact after 5000 years.

About

At 45 km distance from Tîrgu Frumos, you can find the cultural capital of Romania: **Iași**, where ASIRYS hosted many projects or activities and has several partnerships with different organisations and institutions.

Iași is the second biggest city and the second university center in Romania. Starting with May 2019, Iași will be the Youth Capital of Romania.

Iași has much to offer to visitors, including an atmospheric old town, with art galleries, lively bars, museums and great cultural places. Iași has a young working environment driven by a high number of foreign young students and is the second university center of Romania.
