01 Summary

The "Embracing differences together" project aims to promote a meeting between youth workers who work with people with fewer opportunities, to ensure that this group of young people can benefit from the mobility programs offered by the Erasmus + Program and thereby improve their skills and competencies.

"THE MOST COMMON WAY PEOPLE GIVE UP THEIR POWER IS BY THINKING THEY DON'T HAVE ANY."

Alice Walker

The project was born after the end of one KA2 (GAIN) which consisted to develop a network between entities for the people with less opportunities.

The network is now created, but there isn't any program to help the entities to prepare and to receive the participants.

The most important part of a mobility activity is the empowerment of the participants, that is the reason why the main objective of this project is to offer tools to workers for help them to empower young people and qualify them to participate in European activities and volunteer.

02 Objectives:

- Create a new space for the youth workers that works with people with fewer opportunities.
- Create a network between all the participants and the organizations.
- Promote tools and activities to help them to empower the young people.
- Promote tools to receive the participants.
- Promote links between entities.
