project n. 2019-2-IT03-ESC11-016709

VOLONTARI-AMO

October 2019 - August 2020

Summary of the project

VOLONTARIAMO is a volunteering ESC project addressed to 4 guys from ALBANIA, AUSTRIA AND BELARUS.

We intend to provide a strong learning experience through an operative full-time role in the organization. You will have the opportunity to integrate into activities with ideas, creativity and experience; we would like to guarantee the service to the local community through non-profit activities, emphasizing the intercultural dimension and the possibility of non-formal learning .

Obiettivi

1. The general objectives are :

- To Live an unique experience abroad especially in Italy
- To have the opportunity to do a new and an engaging thing
- To know new people, meet new friends and other volunteers from other countries (to promote knowledge, dismantle stereotypes and offer opportunities to meet and to develop a critical ability)
- To know another country, another language a new culture and new ways of life.
- To develop new competencies and skills such as empathy and social competences

2. Professional objectives:

- To connect the project with your educations
- To connect the ESC project with your studies (professional orientation)

- To have the opportunity to work in a educative environment side by side with highly qualified and competent personnel
- To develop your skills and competences in educative methods, improving their independence ,innovation, creativity, patient, communication, cooperation and working on group's sense.

Activities

Activities that volunteers will perform can be divided into two main periods:

ACTIVITIES DURING WINTER PERIOD – from December to May:

ALICE'S HOME: Experimental project "Alice's home" is addressed to families with children aged between one and three years. The volunteers will come side by side with educators in babies' attending, taking part in playing moments' conception, in psycho-motor, drawing and singing activities.

PEDIBUS: project through which educators take the children to school and accompany them to the cg2000 Ludoteca (after-school project)

LUDOTECA CG2000 (Elementary and middle ages): After School project

FANTAGIOCANDO: It's a training course to dance addressed to children between 3 and 6 years old. It's developed by a qualified teacher with the help of volunteers. Here Volunteer will come side by side with educators co-operating in creating dances also intercultural.

DREAMBAR: educational project of a bar managed by a volunteer group. The volunteers will be integrated, with other volunteers, in the DreamBar project.

INTERCULTURAL READINGS: in agreement with the municipal library (the volunteer, according with the tutor will buy a book in his mother tongue, so he/she can use it during this activities) – all costs will be refunded.

ACTIVITIES DURING SUMMER PERIOD – from June to August:

GREST: The Grest is the most typical Cg2000's summer animation activity, offered to family; behind its realization, there is a long objectives, methodologies and tools processing aimed to involving youngsters. We propose different activities according to age: one for Babies, 3-6 years old, one the pupils, 7-10 years old, and the other for the youngsters, 11-13 years old. Grest lives thanks to volunteers and assistants, that let to give mean to this experience.

Practical arrangements

Volunteers will be hosted by the Youth Centre 2000 (there's a private apartment for ESC volunteers and It's meeting point for the other youngsters who live voluntary experience).
Volunteers will have the opportunity to live an experience of community life: bedrooms must be shared if there are more volunteers in the same time, like kitchen and bathrooms.

Volunteers hosted by Centro Giovanile 2000 are kindly asked to be open to share a kind of common life with others volunteers who give their services to Centro Giovanile 2000:

- to share some places and times
- to be accessible and to become available to a point of contact
- mutual respect
- to become available to work and service
- to be open-minded for discussion about common topics.

OTHER:

1. In the apartment there's also the laundry.
2. In the apartment there's a wireless Internet account, to any volunteer will be given the access code.
