

**KLITSCHKO  
FOUNDATION**

# Our mission

For **16** years  
we empower  
young people  
to change their  
communities.

# Our story

Being famous sportsmen, Vitali and Wladimir Klitschko participated in many international projects. It gave them a realization of necessity to establish their own charity organization, which on permanent and professional basis would develop and implement socially crucial projects at strategically important areas of sports and education. This is how the Ukrainian nationwide charitable organization "Klitschko Brothers Foundation" was founded in 2003.

# Our story

2003

2014

From the very beginning, the Foundation cooperated with Ukrainian universities to provide career advice for students, helped the victims of the flood in the Western Ukraine giving the humanitarian aid, implemented project for children to raise the awareness about ecological problems, brought German doctors to Ukraine to examine children with hearing and visual impairments and provided them with special equipment. In cooperation with German foundation «Ein Herz für Kinder» provided children hospitals with modern equipment and gave Ukrainian doctors an opportunity to take part in the internship in German children hospital.

2014

2019

# Our story

In 2014, the organization conducted rebranding. All of the Klitschko family joined the implementation of projects, adding their values into the activity of the organization.

The Foundation focused its activity on implementing projects in the field of sports, education and science. Also, the Foundation received new identity, in particular logo K-man and its new name “Klitschko Foundation”.

# Our philosophy

**K-man** always moves  
towards the dream with  
his or her hands up.

# Our community

A photograph of a classroom or meeting room with several people seated at tables. In the foreground, a person with blonde hair is seen from the back, wearing a dark t-shirt with the words 'FIGHT FOR' and 'RE' visible. To their right, a young woman with long brown hair is looking down at a notebook. Other people are visible in the background, some looking at their phones. The room has green chairs and wooden tables.

3-day training for pupils and teachers with the aim to implement a waste sorting culture at their schools and community. The project is supported by the Coca-Cola Foundation.

# Jugend debattiert international
