Background and Experience

Please briefly the partner organization

Consorzio Cooperho Altomilanese is a consortium of 15 Social Cooperatives created on 2004 in the municipalities north of Milan. Cooperho and its members work in more than 30 municipalities mainly in 5 sectors: 1. Development of social enterprises; 2. Active work policies and vocational training; 3. Cultural promotion and community building; 4. Social Housing; 5. Social and health services. Our target groups are: immigrants, asylum seekers, unemployed, special need people, children and elderly.

What are the activities and experience of the organization in the areas relevant for this application?

The Cooperho Consortium through its projects is supporting the population to take care about public gardens of social housing buildings. Cooperho is creating groups of Eco volunteers the clean and plant flowers in order to create comfortable places in poor neighborhoods. The consortium organizes courses on separate waste collection and energy efficiency. In last months we guest in our spaces a art exhibition created by recycled materials that was visited by all the primary schools of the area. On January we will start a workshop about separate waste collection in the frame of our italian language course for foreigners. We are supporting, collaborating and guesting in our space the activities of the laboratory called "Ludoverse". Ludoverse is a laboratory that in recent times has become an association. Ludoverse is a playful association active in board games, wargames, miniature games, card games, role-playing games of all types and varieties. The members also take care of the testing and improvement phases of the games before the sale.

What are the skills and expertise of key staff/person involved in this application?

Our staff that will be involved are people working form several years in national and international projects. In the frame of this project we will involve people of our playful laboratory and people of eco volunteers activities.
