Your Partner BVB TURKEY:

Bilgi ve Beceri Derneği (*Knowledge and Skill Association*) has established with the aim of helping increase the knowledge and skills of individuals from all walks of life. It is very important for our association to help **individuals** maintain their personal and professional development. We believe that the way of being a producing country and society is by increasing the capacities of individuals. We have also **professional knowledge and experience** as a reliable partner to offer many different projects and programs in Europe (**Erasmus+**) and to advise against any problems that applicants may have. In the activities of our association, the **young people** from all continents and culture come together to exchange ideas and form friendship and professional connections.
