We provide some training courses directly. But we also collaborate with many learning providers (e.g. local authorities, colleges, universities, educational charities) in securing places for communities.

We have also been running informal learning and awareness-raising projects including the following:

- **Radio EuroMernet** (since 2010) for highlighting the regional cultural diversity;
- **EuroMernet Film Club** (since 2011) for exploring the world cinema;
- **EuroMernet Poetry Club** (since 2016) for exploring the world poetry;
- **EuroMernet Cultural Heritage Club** (since 2016) for exploring the world history and cultural diversity with particular focus on Euro-Mediterranean region;
- **Scribe Tribe** (since 2018) creative writing course with focus on world literature;
- Festivals, fairs and exhibitions on cultural themes including arts, literature and music.
