To foster intercultural dialogue,  
to create possibilities for personal development  
and to uncover potential of individuals,  
promotion of sustainable development of  
communities

MISSION

## CONCEPTUAL VISION

«Pangeya Ultima» is a hypothetical supercontinent that ultimately will bring all the cultures, knowledge and people together to co-inhabit in an integrated, wise and peaceful manner

## OUR ACTIVITIES

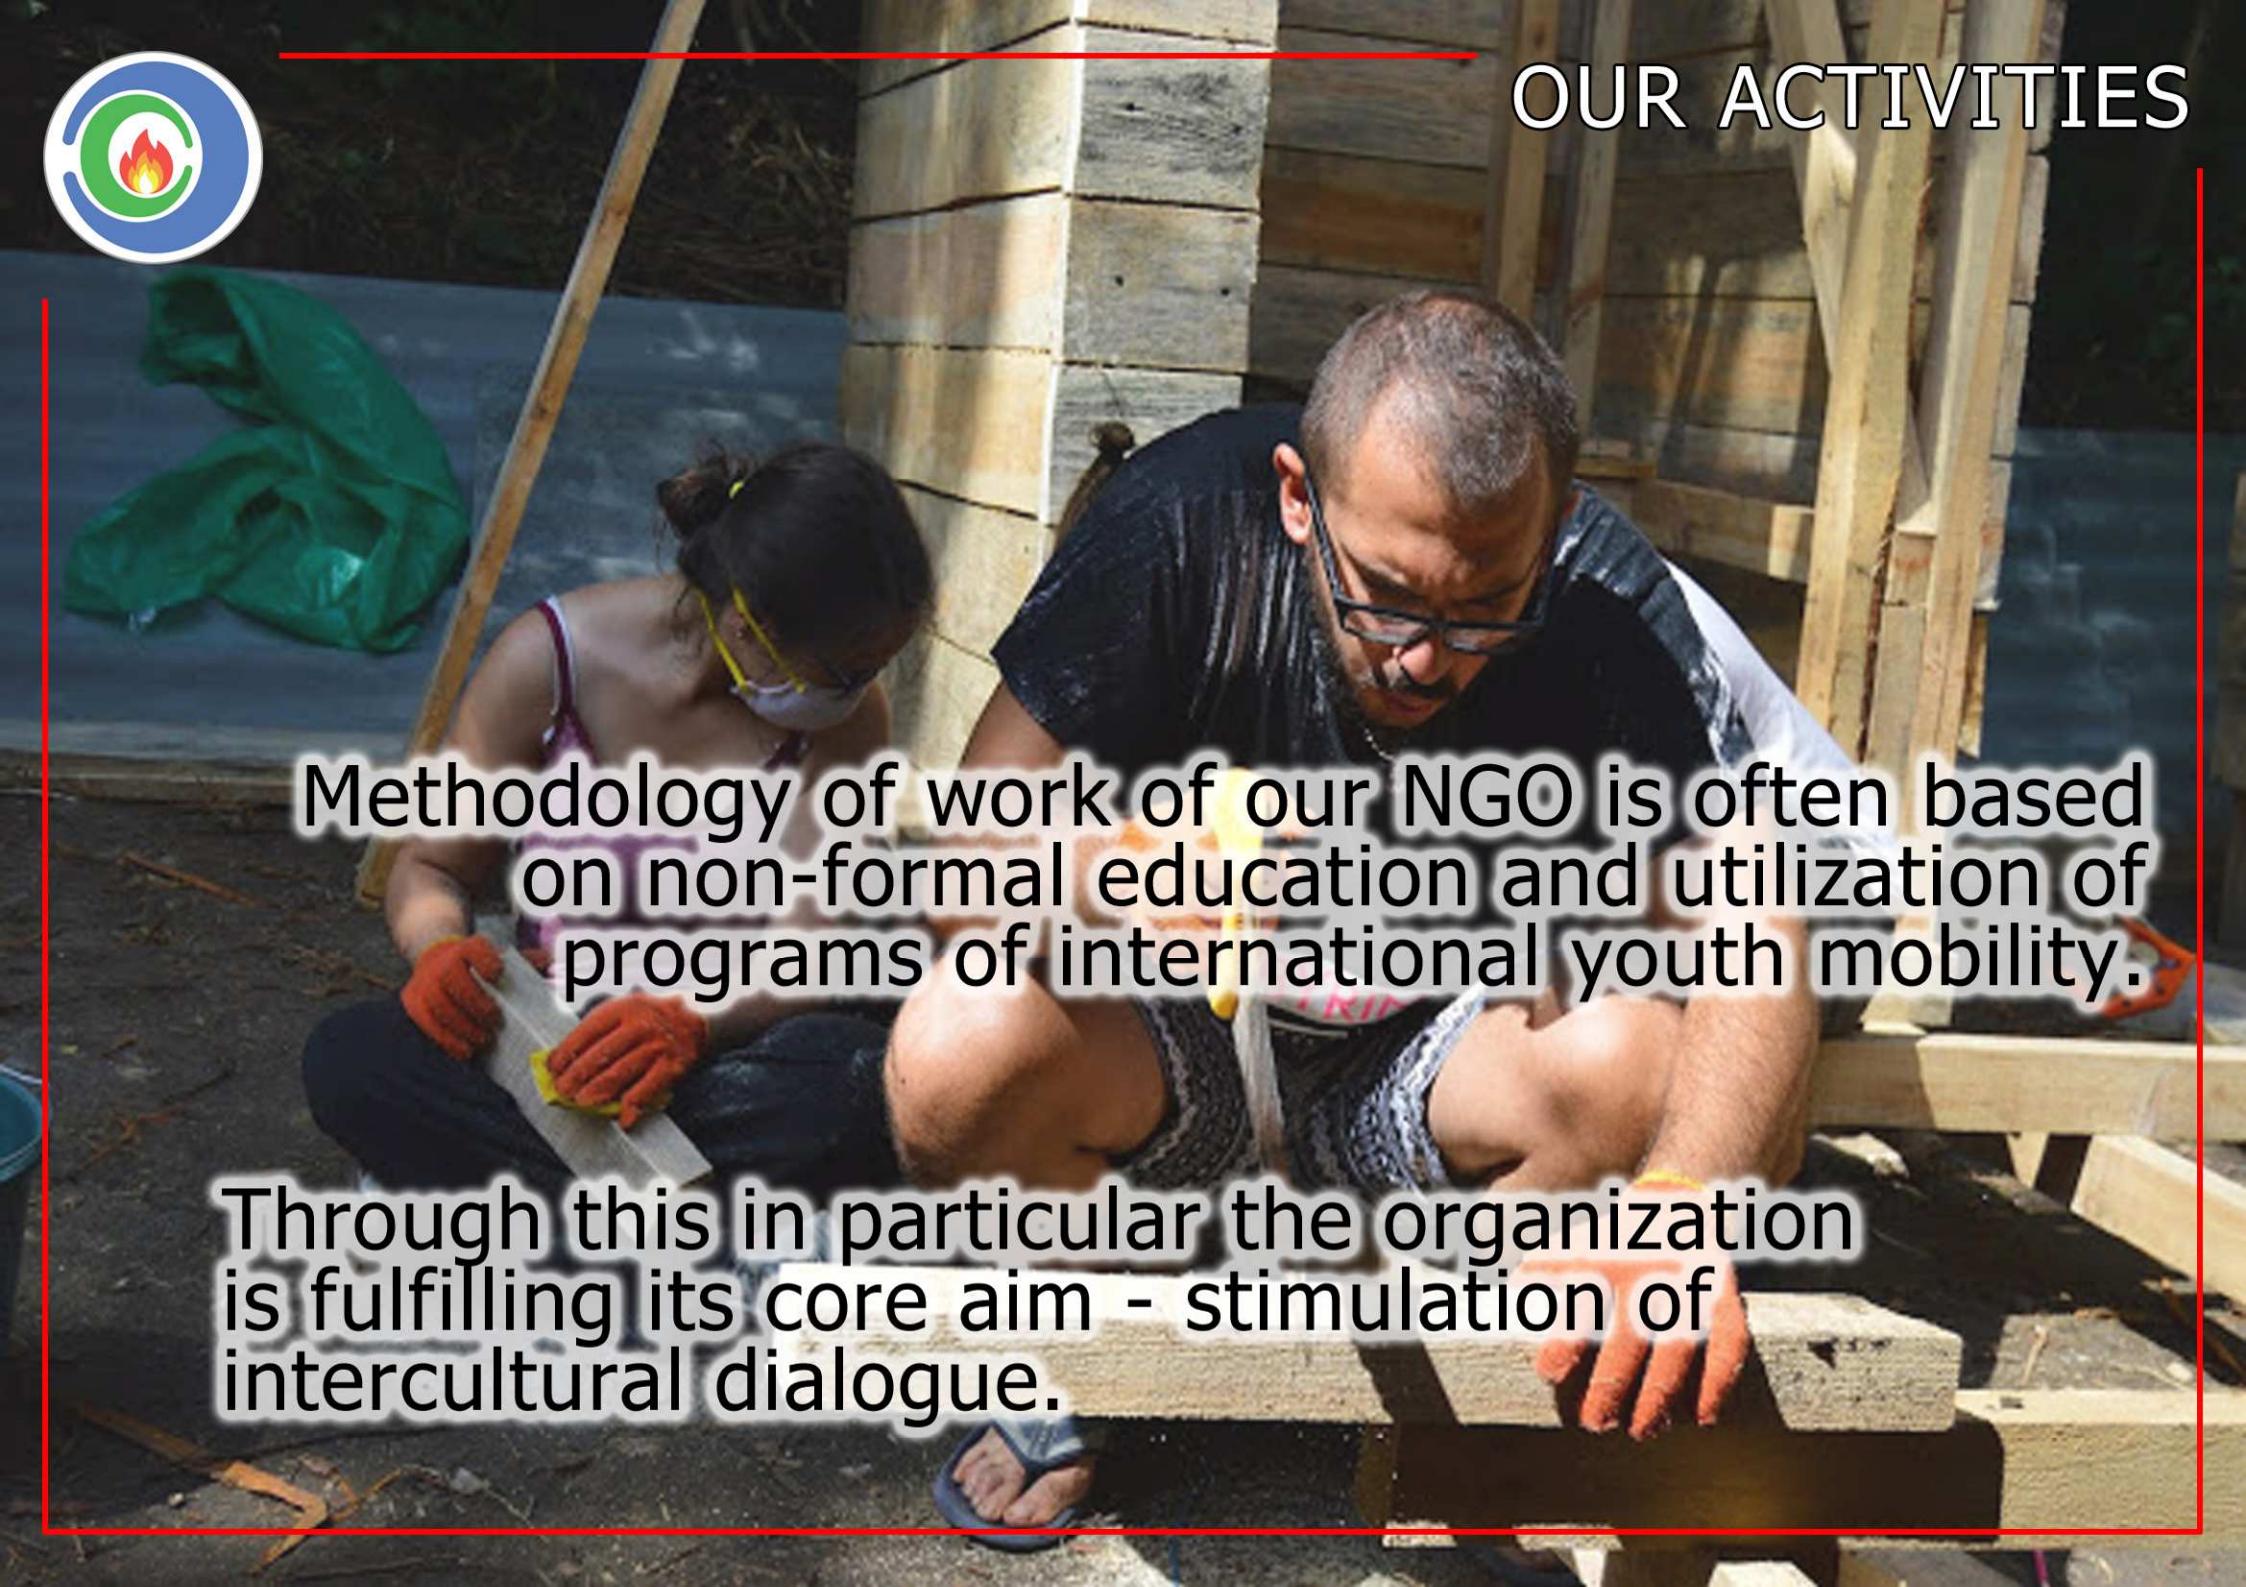

Programs of the NGO  
are composed of  
several directions like:

- non-formal education and stimulating self-development of people;
- intercultural dialogue and peacebuilding;
- youth empowerment and active citizenship;
- media and communication;
- art and culture;
- sustainable development of communities and tackling ecologic issues;
- social entrepreneurship and tourism development.

## OUR ACTIVITIES

The image shows a man and a woman working together on a wooden structure outdoors. The man, wearing glasses and a dark t-shirt, is focused on his work. The woman, wearing a purple top and yellow safety goggles, is also engaged in the task. They are surrounded by wooden beams and tools, suggesting a construction or renovation project.

Methodology of work of our NGO is often based on non-formal education and utilization of programs of international youth mobility.

Through this in particular the organization is fulfilling its core aim - stimulation of intercultural dialogue.

# OUR ACTIVITIES

Organization is active on the local and state levels, as well as has a vast experience of international activity.

In the local community the NGO carries out projects of volunteering, leadership build-up, cultural and social exchange. Participants unleash own potential and help utilize potential of own communities which leads to democratic transformations.

# PARTNERSHIPS

Organization promotes active collaboration and has developed strong partnerships with other CSOs, educational institutions, international organizations, state and commercial actors.
