## ACCREDITATION

### Has the organization received any type of accreditation before submitting this application?

Accreditation Type	Accreditation Reference
Accreditation as sending, hosting and coordinating organisation of EVS	
Youth in action – EVS (Information society for social inclusion and citizen participation)	
<ul style="list-style-type: none"> <li>• Period 2011-2015: 2011-ES-130</li> <li>• Period 2015-2020: 2015-1-ES02-KA110-006086</li> </ul>	

Jovesólides is aware of the social needs of youth. For this reason, in its long history it focuses its action on promoting youth as an agent of social change. One of the main strategies in the context of the EU today.

On the other hand, the entity has extensive experience in the field of volunteering. Currently, the association collaborates with various volunteer profiles including: university internships, European volunteer service, Leonardo professional internships and also common volunteer service. The entity always maintains a correct selection and management process. Jovesólides also believes in the relevance of certifying the experience and voluntary and social skills for the future employment inclusion of young people.

In this sense, the main objectives of Jovesólides are:

- Promotion of labour inclusion of youngsters.
- Promotion of social participation of youth.
- Promotion of recognition of social experience and volunteer experience as social and labour skills.

Indeed, this organisation has got several actions in process or previously developed directly linked to social innovation and social entrepreneurship:

- Long experience in the promotion of social volunteer services.
- Experience as sending/hosting and coordinator organisation of EVS program for 5 years already (before with Youth in Action).
- Development of several training actions for youth regarding their social participation from social entrepreneurship.
- Design and development of two gamification methods to promote social awareness and design of social projects: 'Factor 5' and 'Nada Trivial'.
- Development of several projects where the entity promotes the leadership of youth to promote social inclusion in their own contexts.
- Furthermore, Jovesólides has been developing a Red Creativa project since 2014; It is a national network to promote social entrepreneurship and social innovation for youth in Spain. We are five partners that develop several activities in diverse parts of Spain: workshops (laboratories), a youth training-meeting, a social forum and diverse intellectual documents. All the experience and knowledge acquired through this project it is shared with the partners of the current proposal.
- Jovesólides has also experience in developing specific intellectual outputs and the results of seminars, good practices bulletin.... all about youth related projects.

For all this experience of the entity, focused on promoting youth job inclusion and certifying social experience as a learning tool, Jovesólides will be a suitable partner. A partner who will contribute to achieving the objectives of this project.

**MIGRATION / REFUGEES:** Jovesólides is currently developing, always focused on youth, various actions to increase social awareness of the reality of migration. The entity is specifically focused on the current humanitarian crisis affecting migrants and refugees. To do this, the entity promotes the active participation of young people as potential leaders who can create their own messages against hate speech. Something essential to create a more inclusive and tolerant Europe.
