noemifiorillo@gmail.com

DESCRIPTION of the project

ESC volunteers from programme and partners countries will collaborate in the **immigration policies** as well as in the other **Arci projects and activities** like: Cultural and Social activities, Awareness Campaigns, Youth Policies

The ESC project 2020-2021 "SOLIDARIETYOUTH" is a project which takes place in Rieti , Italy (a little village in the middle of Italy) . It will host 4/6 volunteers, male and female volunteers, sharing the common house with double or single rooms. It's a project that promotes solidarity and integration for minors refugees (between the age of 16-18 years old); and for the adults immigrants. Minor asylum seekers and refugees are hosted into three apartments in Rieti, while the adults are hosted in Fara Sabina. Volunteers are engaged and will be engaged in activities aimed at facilitating their integration path alongside the operators of the project. Moreover ESC volunteers will be engaged in **the promotion of solidarity, awareness campaigns, cultural activities**). Esc volunteers will be involved in the Youth in Action promotion and In the involvement of the youth community of the Rieti city.

Specifically, the esc VOLUNTEERS activities include:

- Meetings with asylum seekers and refugees in Rieti and Fara Sabina , to the establishment of a relationship of communication among peers, informal exchange of cultural backgrounds , support them in the routine activities and school support, create recreational and educational activities for them. Collaboration in our tailor lab for inclusion
- Participation and organization of intercultural awareness campaigns like The Refugees day , The week against racism, The day of volunteering , Rieti Senza Barriere, and in order to produce information materials
- Volunteers will be engaged in no-formal learning activities in the city schools and with the young of the community
- Volunteers have free choice in the expression of their creativity and in bringing innovation in our project , create events. They are producing materials (short films , photographic exhibition, radio programmes, theatre lab., social football, etc), with the support of the operators.
- many activities about the ARCI association; training course, creative lab., public events, cineforum.
- Italian classes
- administrative help

The volunteers will gain the skills and knowledge with the method of " learning by doing" and co- working and cooperation

"SOLIDARIETYOUTH" aims to :

- 1 - raise awareness and promote the cultural growth of all those involved in the community facing the current problems of our historical reality ,
- 2- Provide key competences for the volunteers, the one needed in the labor market (soft skills)
- 3- Enriching and donate new and different tools to the local community by creating the conditions for an useful exchange,
- 4 - Responding to the specific needs to all actors in the process creating the potential opportunity to improve their future .
- 6- Build partnerships with the sending organisations in order to facilitate the future co-project activities.

The accomadation: volunteers share an apartment or two little apartments with doble rooms, internet connection, the apartment will be equipped with everything necessary.

Pocket money : around 150/155 euro monthly

Food: around 165/170 euro monthly
