BACKGROUND AND EXPERIENCE
Please briefly present the organisation.
The mission of our organization is to support the core values, unity and solidarity of the European Union and to ensure that citizens of all other countries in the world are introduced to European values that will improve their quality of life by increasing cooperation with the EU. Our vision is to ensure that all citizens of the world who aware of us understand the core values of the European Union and able to know the huge potential with correct cooperation. At CODEC-IST we are, digital media professionals, certified public accountants, big data experts, tourism experience managers and computer education specialists who have different visions that can cover all demands of your organization and understand the diversity of society you wish to address. What distinguishes us from other organizations is that each individual in the team has their professions in finance, digital media, data reading & reporting and transportation & accommodation from sectors where knowledge is required for successful project implementation. We are an excellent team in the implementation of the project as both a practitioner and a partner. Our global network of partners and collaborators enables us to develop projects anywhere in the world

Partnership Organisation Details Form (PIF)

What are the activities and experience of the organisation in the areas relevant for this application?	
CODEC IST is a new organization with very experienced staff in professional business world. Any information required to carry out an Erasmus+ project is available to the team members. We also receive the support of Codec Europe, a team that has been implementing projects for more than 10 years. We have a big passion to organize & participate international training course, youth exchanges and community events.	
Please give information on the key staff/persons involved in this application and on the competences and previous experience that they will bring to the project.	
Please see below	
Names of staff members of the APPLICANT organization	<i>Summary of relevant skills and experience, including where relevant a list of recent publications related to the domain of the project.</i>
Okan Gunay	After completing the business administration department at the Istanbul University, he started to work in one of the biggest banks in the world, QNB, at training and development department. After a while, Okan evaluated his job offer from the digital marketing world, which is his real passion. He is a digital media professional for 7 years. He met with European+ projects in 2018. During this period, he participated in a long-term project (ESC) and two training courses (Digital CommanDEOR, Youth 4 Cul/future). He decided to establish Codec IST with the guidance of Natalia Roelofs from Codec Europe. He speaks advanced English and intermediate Portuguese.
Cem Eldemir	He was born in a small city in Turkey. When his peers thought the whole world was their small county, he dreamed of traveling the world. In line with his objective, Cem studied tourism at Istanbul University and started his career as a project manager for one of the largest tourism companies in the country. Due to his work, he has been present in more than 30 countries on 5 continents in the last 6 years. Cem, who has a perfect operation management skill, is eager to share his experiences on world cultural diversity in Erasmus+ projects. He speaks advanced English and intermediate Russian.

Exceptional Cost (Visa Cost)
If you need visa to enter TURKEY: please let us know. So, we can add exceptional cost for visa.
