D. BACKGROUND AND EXPERIENCE

Please briefly present the partner organisation.	<p>Education Innovators Kosovo (EIK) is a non-profit, youth-focused organisation established in 2018 in Mitrovica, Kosovo. EIK supports and empowers young people from different communities to develop ideas, skills and initiatives that respond to contemporary challenges in the fields of education, innovation, entrepreneurship, inclusion and sustainable development. The organisation combines non-formal education, digital tools, intercultural learning, community engagement and youth participation to create meaningful local and international learning opportunities. Over the years, EIK has expanded from local innovation and civic engagement initiatives to Erasmus+ mobility, green transition actions, inclusion projects, digital education initiatives and youth empowerment programmes implemented with local, national and international partners.</p>
