After the announcement of the project partnership, about 40 young people between the ages of 13 and 16 are selected as the target audience. These young people read one Nobel prize-winning work from each participating country in their native language, totally 6-12 books in fact. Literary characteristics of the works are examined with the group leaders for each book.

It should be confirmed that the participants who will visit Turkey for the main action, do not smoke, drink alcohol or use drugs. Accommodation will be with the families of the young people from us, breakfast will be at home with the family, lunch and dinner will be at the designated place together with all participants.

Each partner country participates in the main action, with teams of 4/6 young, boys and girls in equal numbers, with group leaders supervising them. Group leaders are preferred to be expert in one of the followings: drama, music, visual arts, comparative literature.

A booklet containing the expressions required in daily use will be prepared in the languages of all participating countries.

There will be the following activities besides the well known ice cracking activities in The Main Action (to be held between 2020 May 15th and May 25th if all conditions comply with policies related to COVID pandemic.)

Premiere night to exhibit the best performances to the parents and other guests

Partners, eager to include Baglica Anadolu Lisesi in their other projects, are preferred because of potential longlasting partnership.

Partnership should be confirmed if conditions can be met

However, although more than one partnership proposal is received from some countries, your confirmation may not be approved as each country will be represented by a single team.

Please do not hesitate to ask about the details you find confusing.

Yours sincerely,

Zehra EREN
