## Background and Experience

Please briefly present your organisation.

We are members of Legambiente environmental organization. Our local group is 30 years old, in this long period of time we deal with various environmental issues: waste, renewable resources, biodiversity, climate change, etc.

We organize conferences, environmental volunteer days, (Puliamo il Mondo, Spiagge Pulite, Cleanup the world) courses (Organic Garden, food by spontaneous vegetable, Bird watching) parties (Festa del lago di Porta 2009-2019)

We manage projects in a small protected area called "Lago di Porta". Educational Project with schools and informal groups.

We engage in activities of defense of our territory against any threats of pollution and construction; we also work with monitoring activities to protect biodiversity

What are the activities and experience of the organisation in the areas relevant for this application?

In the past we managed some projects of environmental volunteers where some people from Italy and other countries were host to us and worked to plant trees or clean and sign paths.

What are the skills and expertise of key staff/persons involved in this application?

They are volunteers, some of them participated in other European projects (Grundtvig, Erasmus).

Normally they work with people with special needs and teens.

Some of them are graduates in Forestry Science.

They worked in educational environmental.
