BACKGROUND AND EXPERIENCE

Please briefly present the organisation/group (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners and members of the group)

ENTRI – is a non-profit association, based in Vilnius, Lithuania. ENTRI's mission is to develop and promote entrepreneurship skills across all age and social groups to enable continuous and sustainable development for the better future. Organization emphasizes importance of entrepreneurship as the main factor catalyzing innovation and creation of a better environment for economic, social and civic inclusion of society. Since 2012, ENTRI has implemented multiple projects supporting businesses and entrepreneurs and represented their interests before local and national authorities. ENTRI's activities engage the most vulnerable society groups as youth, NEETS, migrants, women and elderly.

ENTRI's fields of excellence:

- Education – we diagnose educational needs and develop personalized training courses.
- Economic inclusion – we develop innovative ideas based on up-to-date research and business trends.
- Digital inclusion – we focus on a practical, policy-driven approach that addresses the digital skills need.
- Mobility – we ensure the inclusion of youth by providing mobility's activities in Europe.
- Social inclusion – we ensure the inclusion of citizens with fewer opportunities.
- Civic inclusion – we ensure that residents fully participate in civic life.

What are the activities and experience of the organisation in the areas relevant for this project? What are the skills and/or expertise of key persons involved in this project?

ENTRI has 5 full-time employees from which 3 are experts, financial manager and administrative assistant.

ENTRI's staff is well experienced in European programmes. All together members have organised and participated in youth exchanges and training courses abroad, they have an international work experience, a vast network of the vocational training institutions, universities, SMEs, youth organisations and business mentors in Lithuania and abroad.
