#REPRESENTATION MATTERS

GALBIATE (ITALY)

APV: NOVEMBER 1-4, 2021

YE: NOVEMBER 22 - DECEMBER 1, 2021

INFOPACK FOR THE APV

THE PROJECT

THE PROJECT #REPRESENTATIONMATTERS AIMS TO GUIDE THE PARTICIPANTS TO REFLECT AND DISCUSS THE USE OF STEREOTYPES, PREJUDICES AND DISCRIMINATION IN NATIONAL AND EUROPEAN MEDIA.

It will focus on media representation of minorities and marginalized groups and how to respond to this issue in a European context which is increasingly multicultural and transforming day by day.

Looking at Europe, we realized how frequent the media representation of some stereotypes and prejudices about some minorities is. This invalidates the possibilities of the process of creating a European identity truly inclusive and fair.

OBJECTIVES

- Identify and discuss common forms of discrimination, stereotypes and prejudices in the media.
- Raising awareness of ethnic and gender differences.
- Develop knowledge on the topic of Hate Speech and a greater understanding of the impact of representations in the media.
- Promote the development of video-making skills and promote the use of video as a social tool.
- Create useful material for follow-up activities that promote better representations in the communities the participants are from.
