# SOFTWARE OF STUDENT

Adaptation Guide to Educational System & Social Life for International Students

[2019-1-TR01-KA205-073529]

## Aim of the project:

- Adapting and improving the quality of life of students studying abroad.
- Providing solutions to the problems of international students (scholarship, accommodation, educational difficulties, bureaucratic difficulties, cultural barriers etc)
- •Adaption of international students to social, cultural and educational life in foreign countries,
- Dissemination of the works done by all partners with stakeholders.

## PARTNERSHIP:

The SOS project participates partners from Turkey, Romania, France, and Ukraine:

### Coordinator and Partners:

- 1.Bursa Uludağ University (Coordinator)
- 2.SIRF - KARVAK: Society Of Intercultural And Friendship
- 3.Ankara Student Youth Group
- 4.Polar A.Ş
- 5.Ovidius University Of Constanta (Romania)
- 6.Solution: Solidarité & Inclusion (France)
- 7.Pereyaslav-Khmelnysky State Pedagogical University (Ukraine)

## SOS Mobil App

For students studying or planning to study abroad; A mobile guide has been created to guide issues such as scholarship and dormitory opportunities, university registration process and necessary documents, living expenses and living guide, higher education fees and durations, cultural and economic conditions, work opportunities, residence permit process.

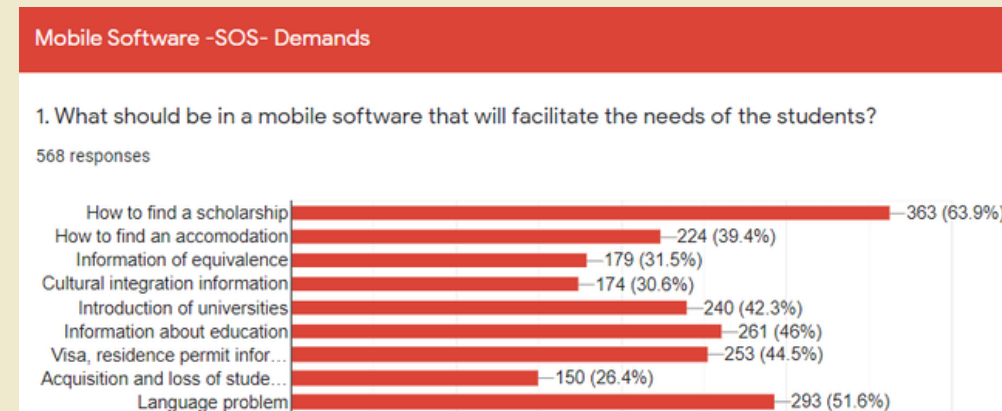

## CONTENT

The SOS mobile application primarily includes the higher education & social / cultural / economic conditions in the countries of the project partners.

## Second Survey

According to the results of the second survey; scholarship, accommodation and equivalency is the most important issue for international students

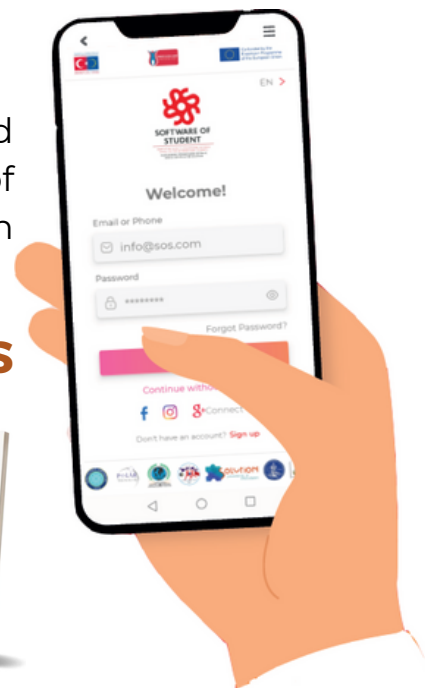

## TARGET GROUP

International students, schools and universities' department of international relations and youth mentors.

## INTELLECTUAL OUTPUTS OF THE PROJECT

- 1- SOS Mobil app
- 2- Guide Book
- 3- Public spot

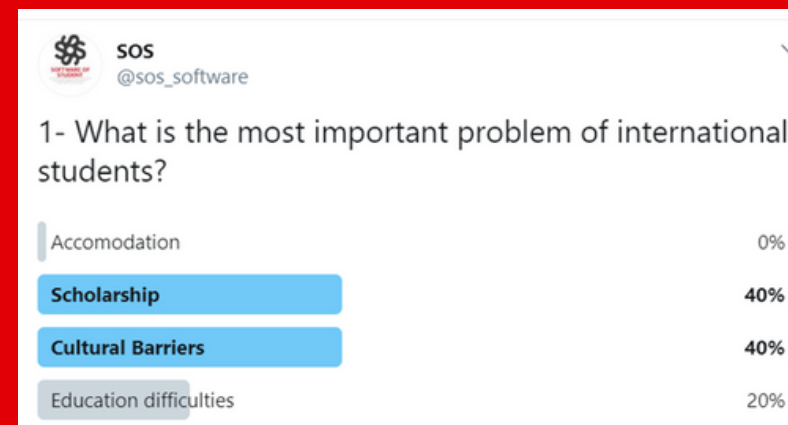

## ERASMUS+ & TURKISH NATIONAL AGENCY

This project is supported by the European Commission and the Turkish National Agency..

## Results of Survey 2020-2021

### NEED ANALYSIS OF THE SOS PROJECT

568 international students from 56 different nationalities participated in the SOS survey. A total of 40 questions were asked to the students. Questions are tested and open-ended. The resulting results will be detailed in the needs analysis book

According to the results of the field studies, the most important problems of international students are about scholarship, cultural barriers and educational difficulties.

## Guide Book & Film

Within the scope of the project, films about the mobile application were shot in different languages.

## AS A RESULT:

As a result of the project, a mobile guide in different languages will be produced and international students will be guided.
