Background and Experience

Please briefly present your organisation

Farhat Hached Institute for Research and Democracy (FHIRD) is an independent non-profit international Tunisian NGO based in Tunis. It is an academic body of research that works at the both national and international levels in fields such as research, training, consultancy in issues of media, democracy and politics as well as democratic changes. In order to reach our goals, we are willing to work with different research and scientific bodies, governmental and non governmental organizations and associations that show similar interests and specialties according to the requirements of these domains.

Our institute publishes research studies and reports, organizes trainings, conferences and workshops that are open to experts and common people. The institute also organizes and supervises an annual polls project as part of our attempt and contribution in facilitating the democratic process and helping in the establishment of democratic institutions.

What are the activities and experience of your organisation in the areas relevant for this application?

(Give examples of the areas connected to the theme of the project)

FHIRD has international experience in working as coordinator/partner in projects funded under different EU programmes (e.g., ENPI, Horizon 2020, Erasmus+, Daphne, etc ...)

FHIRD works to involve young people into the social and political debate creating opportunities of active citizenship and youth active participation. It is committed to create a space for debating and sharing experiences between national and international youth associations and both Tunisian and European institutions. Main goals are personal growth and integration of new generations within the territory of the province of Ben Arous .

• FHIRD follows a strategy of thinking oriented to:

- Increasing the participation of youngsters into the social, civil and political life and in the decision making process.
- creating opportunities of meeting , debating and sharing experiences between member organisations and Institutions ;
- Facilitating cooperation and networking between member organisations.

In this regard FHIRD is working effectively in giving support on a regional project, related to public policy, that is trying to create, expand and coordinate a local network of associations, including in this plan many groups from different areas.

• **Activities key factors are:**

- the centrality of the person
- Active citizenship / Democracy
- Education and Training
- Democracy/Active citizenship
- Anti-corruption/discrimination
- Human rights / Child Rights
- Women rights.
- Peace-promotion
- Conflict resolution
- Intercultural dialogue
- Religious harmony
- Environment /Climate changes
- Research and studies
- Culture and art
- Non - formal education
- Youth policy
- Gender equality
- Policy-making
- Policy Papers
- Advocacy
- Pleading

Background and Experience

In this regard FHIRD organizes monthly seminars, workshops, training courses, debates focused on active citizenship, empowerment and civic responsibility themes.

Furthermore FHIRD participates in Erasmus Plus project (related to KA1, KA 2, KA3), focused on youth policy.

Promotion youth mobility, intercultural learning and international voluntary service

FHIRD goals are to foster peace and understanding in the world through exchanging our youth.

appreciate the culture, development and way of life of each other's country and to build groups of young and potentially influential people.

What are the skills and expertise of key staff/persons in your organization that will be involved in this project?
