

~
εἶναι

'to be' for the real change

EINAI FOUNDATION

Strength of democracy is inclosed
in human potential development
and in capacity for solidary actions

WHERE ARE WE?

OUR REGION

Dąbrowa Górnicza is a city with 119 373 people placed in the only Polish Metropolis with industrial history and landscape. The main characteristics of our city are:

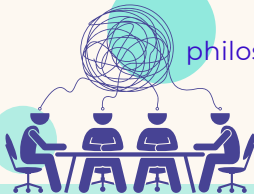

- | | |
|---|---|
| <ul style="list-style-type: none">• steelworks• sand mine• 4 postindustrial lakes• a lot of green areas: parks, forests• sport and recreation | <ul style="list-style-type: none">• population age: 35-44• modern initiatives for citizens e.g. "Youth Initiatives Funds"• rebuilding old factories to Business and Culture centre named "Factory Full of Live" |
|---|---|

Einaí Foundation
