BACKGROUND AND EXPERIENCE

Please briefly present the organisation / the group.	<p>YFW is a youth, educational NGO that works with several foundations on a local and international level in frames of non-formal education.</p> <p>Our target group is: young people from the IDP families & conflict regions, disadvantaged youth, young leaders with social & economical obstacles, interested young people who has motivation for intercultural learning, understanding & peace-building.</p> <p>We aim to:</p> <ul style="list-style-type: none"> • Promote Non-formal Education & empower youth for active participation and citizenship • Promote Gender equality & tolerance • Raise awareness of young people for intercultural understanding, Peace & solidarity in Caucasus. Europe & beyond. • Foster young people's skills & knowledge through education, using experimental learning tools. • Promote outdoor education & healthy ways of life • Improve the quality of life of young people through volunteering. • Encourage social entrepreneurship among young people for the sustainability of the community. <p>Training courses, seminars, youth exchanges, study visits, camps, and conferences are among the main activities. YFW has extensive experience coaching, consulting & training youth, young leaders, youth workers & representatives of various civil society or governmental organisations in project management, organisational capacity building, international cooperation, high-quality youth work development, youth participation, intercultural learning, peace-building & other relevant topics.</p>
--	---

What are the activities and experience of the partner organisation in youth work? Please provide information on your organisation's / group's regular youth work activities at local level.	<p>Since its establishment, we have organized a variety of international events (in the frames of YIA, E+ & other educational programs) for/with young people from various cultural, religious & social backgrounds. Every year, YFW works with/for over 100 young people with limited opportunities, engaging them in a variety of educational activities to help them develop their personal & professional skills. YFW is also an open platform for young people to use all organizational resources to create, plan & implement their own activities in collaboration with young people from all across Europe & beyond.</p> <p>Following the success of many effective measures for local and international youth, YFW experts and volunteers are regularly called to provide trainings and consultations for representatives of non-governmental and governmental organizations working in the field of "Youth." YFW collaborates with international educational institutions on a regular basis to share innovative non-formal education methods and approaches.</p>
---	---

Please give information on the key staff/persons involved in this application and on the competences and previous experience that they will bring to the project.	<p>YFW is made up of experienced youth workers who have worked as facilitators, trainers, managers, consultants & mentors. Youth Workers who engage in our events are skilled in a variety of areas. Strong analysis & planning, as well as organizational & financial management, allow us to produce high-quality projects. Our staff's experience & motivation aid in the organization of innovative activities & the development of new initiatives for youth.</p> <p>On a second hand We are proud by the number of our volunteers from all over the Georgia. Our volunteers & youngsters are constantly attending non-formal educational events, which helps them to operate an effective empowerment process. This allows us to develop our expertise & share good practices with others around Europe in the area of youth work & its experimental or modern tools.</p> <p>George Bukia – Ceo/Direcor of organisation. He has organised numerous number of different international youth projects in many European countries. Beside the managing all development process of organisation, he shares his invaluable experience in organising quality educational projects, with staff and volunteers of YFW. More than 200 in his bucket list and 15 years of experience in youth work, helps a lot to organise innovation actions & develop new initiative for young people in Georgia, Caucasus and Europe.</p> <p>Mari Jabua – She has experience as a group leader in multiple projects and has also facilitated sessions in several projects. She focus on non-formal education as the focus of her future career in the youth work. She speaks few languages, despite her young age, she has a lot of international experience as she did a year of studies in USA and a year of ESC volunteering (In Croatia).</p> <p>Gigi Bukia – who oversees all logistical tasks associated with hosting initiatives and provides guidance in the preparation of participants for international sending activities. on a same time deals with social media disseminations</p>
