What is covered?

You are covered by a complementary **insurance**

You can access a range of [support services](#) such as **linguistic support and training**

Your **basic costs** will be covered (your travel to and from the project, accommodation and food)

You'll also receive a **small allowance** for personal expenses (€3-6 a day, depending on the country)

If you have **specific needs** (e.g. a disability), these costs may also be covered

!! This coverage applies to *volunteers* in European Solidarity Corps activities.

If you are selected through the Corps portal by an organisation, which is funded through the 8 funding programmes of the first phase of the European Solidarity Corps, then your activity falls under the rules and procedures of that funding programme and not all the services mentioned above will apply to you. Please check the Frequently Asked Questions ([FAQs](#)) for the additional funding programmes supporting the European Solidarity Corps.
