WHAT EACH PARTNER NEED TO DO?

”

SENDING ASSOCIATIONS TASKS

- select up to 10 volunteers to be send to hosting associations in Romania that work in support of Ukrainian and other refugees based on the profile

FOR HPTV we need volunteers that are independent, motivated to work in support of refugees. The focus is on the group of beneficiaries and NOT on the volunteers.

- prepare the volunteers and support them during their mobility
- involved in the dissemination of the results of the projects
- support the volunteers in their dissemination activities

HOSTING ASSOCIATIONS

- support activities for children and youth
- coming from a community with refugees or asylum seeker centers
- 5 Cities in Romania

Each hosting association needs to have experience on hosting ESC volunteers and respect the ESC quality requirements, have the ability to provide volunteers activities for refugees or internally displaced people due to conflict in their area, have qualified staff that can guide the volunteers in developing sport activities.

FINANCIAL ARRANGEMENTS

BUDGET DIVISION

- each sending association will be provided with: **travel costs** for their volunteers based on ESC rates, **visa and visa related costs** for their group, sending costs in the amount of **200 euros/volunteer** deducted from the organizational ESC costs of the hosting
- for the Complementary Activity - training course all costs will be covered by ANTER, from the per volunteer grant.
