D. BACKGROUND AND EXPERIENCE	

Please briefly present the sport club/organization	ATJDCP is an active association in the field of youth. It's is a non-governmental independent and non-profit organization. The main objectives of ATJDCP are: - Provide opportunities of international exchanges for young people. - Promoting youth initiatives in order to improve social work and facilitate the integration of young people in local society. - Establish an active cooperation with Mediterranean and international organizations working in the context of youth and culture. Through our various activities, we try to provide opportunities for positive and varied development of personality for local and foreign youth. We also actively seek to involve more young Tunisian in community life locally, nationally and internationally ;which may promote their openings mind, creativity and learning .Our main target is young Tunisians aged between 18 and 30 years. Our main activities are in the animation of clubs in various partner organizations on various topics (social ,environmental , cultural ...) , the organization of discussions and debates for young people to introduce them to different priorities such as fight against racism , xenophobia and segregation; and promote the values of peace, democracy ,mutual respect of human rights and tolerance. We also organize training sessions and skills development related to the themes mentioned above.
What are the activities and experience of the club/organization ?	ATJDCP (Association Tunisian for Youth and Diffusion of Culture of Peace) is a cultural association which aims: - Contribute to the strengthening and development of the principals of solidarity and cooperation between Young people in particular and with civil society in general; - Contribute to the economic and social development of young people; - Contribute to the dissemination of the culture of peace and fraternities Young people; - Developed partnership and cooperation Relationship with other national and international cultural organizations with similar objectives. also Banning a Grant from the French Institute in Tunisia (IFT) for the funding of the following actions: - Organization of the first Arab forum for horse riders, under the slogan free Word ... a free homeland" from September 8 to 10, 2019.
