Background and Experience

Please briefly present your group. Please describe also how the group was created.

IACSD was established in 2019 by associate students from different universities of MOULAY ISMAIL MEKNES in order to unite young people of Morocco .

According to our status we are a non-commercial organization which can provide a number of educational services, some kind of training for students, young workers in the sphere of humanities, free of charge.

We are trying to attract the attention of talented and active young people to creating and implementing youth projects, aimed at development of multicultural communications, cultural diversity, interreligious dialogue and tolerance in a civil society.

We also care about working with children

Strategy of the organization:

- Creation of a new layer of young people with Development ideas, ready to work for the welfare of the people of their country and to cooperate in the spirit of tolerance and partnership with other nations.

Object of the organization:

- to frame favourable conditions for the development of a creative, energetic young person having active civil position.

Aims of the organization:

- ✓ To develop the creative potential of the youth
- ✓ To support youth initiatives in various fields
- ✓ To create conditions for active involvement of young people both into social, economic and cultural life of the society
- ✓ Encouragement impulses to self-actualization of a free individual
- ✓ Popularization of democratic ideas, Institutions of a civil society
- ✓ To develop respect for public, democratic values
- ✓ To develop the international youth cooperation, to cooperate with foreign youth organizations
- ✓ Work on student exchange between educational universities
- ✓ Helping students to guide the study
- ✓ Organizing trips inside Morocco for Moroccan, foreign and Arab families in order to promote cultural and tourism exchange
- ✓ Young developers to organize training for their careers

Erasmus+
