WE ARE NOT CEASING TO PLAY BECAUSE WE ARE GROWING OLDER,
BUT WE ARE GROWING OLDER BECAUSE WE CEASE TO PLAY...

GEORGE BERNARD SHAW

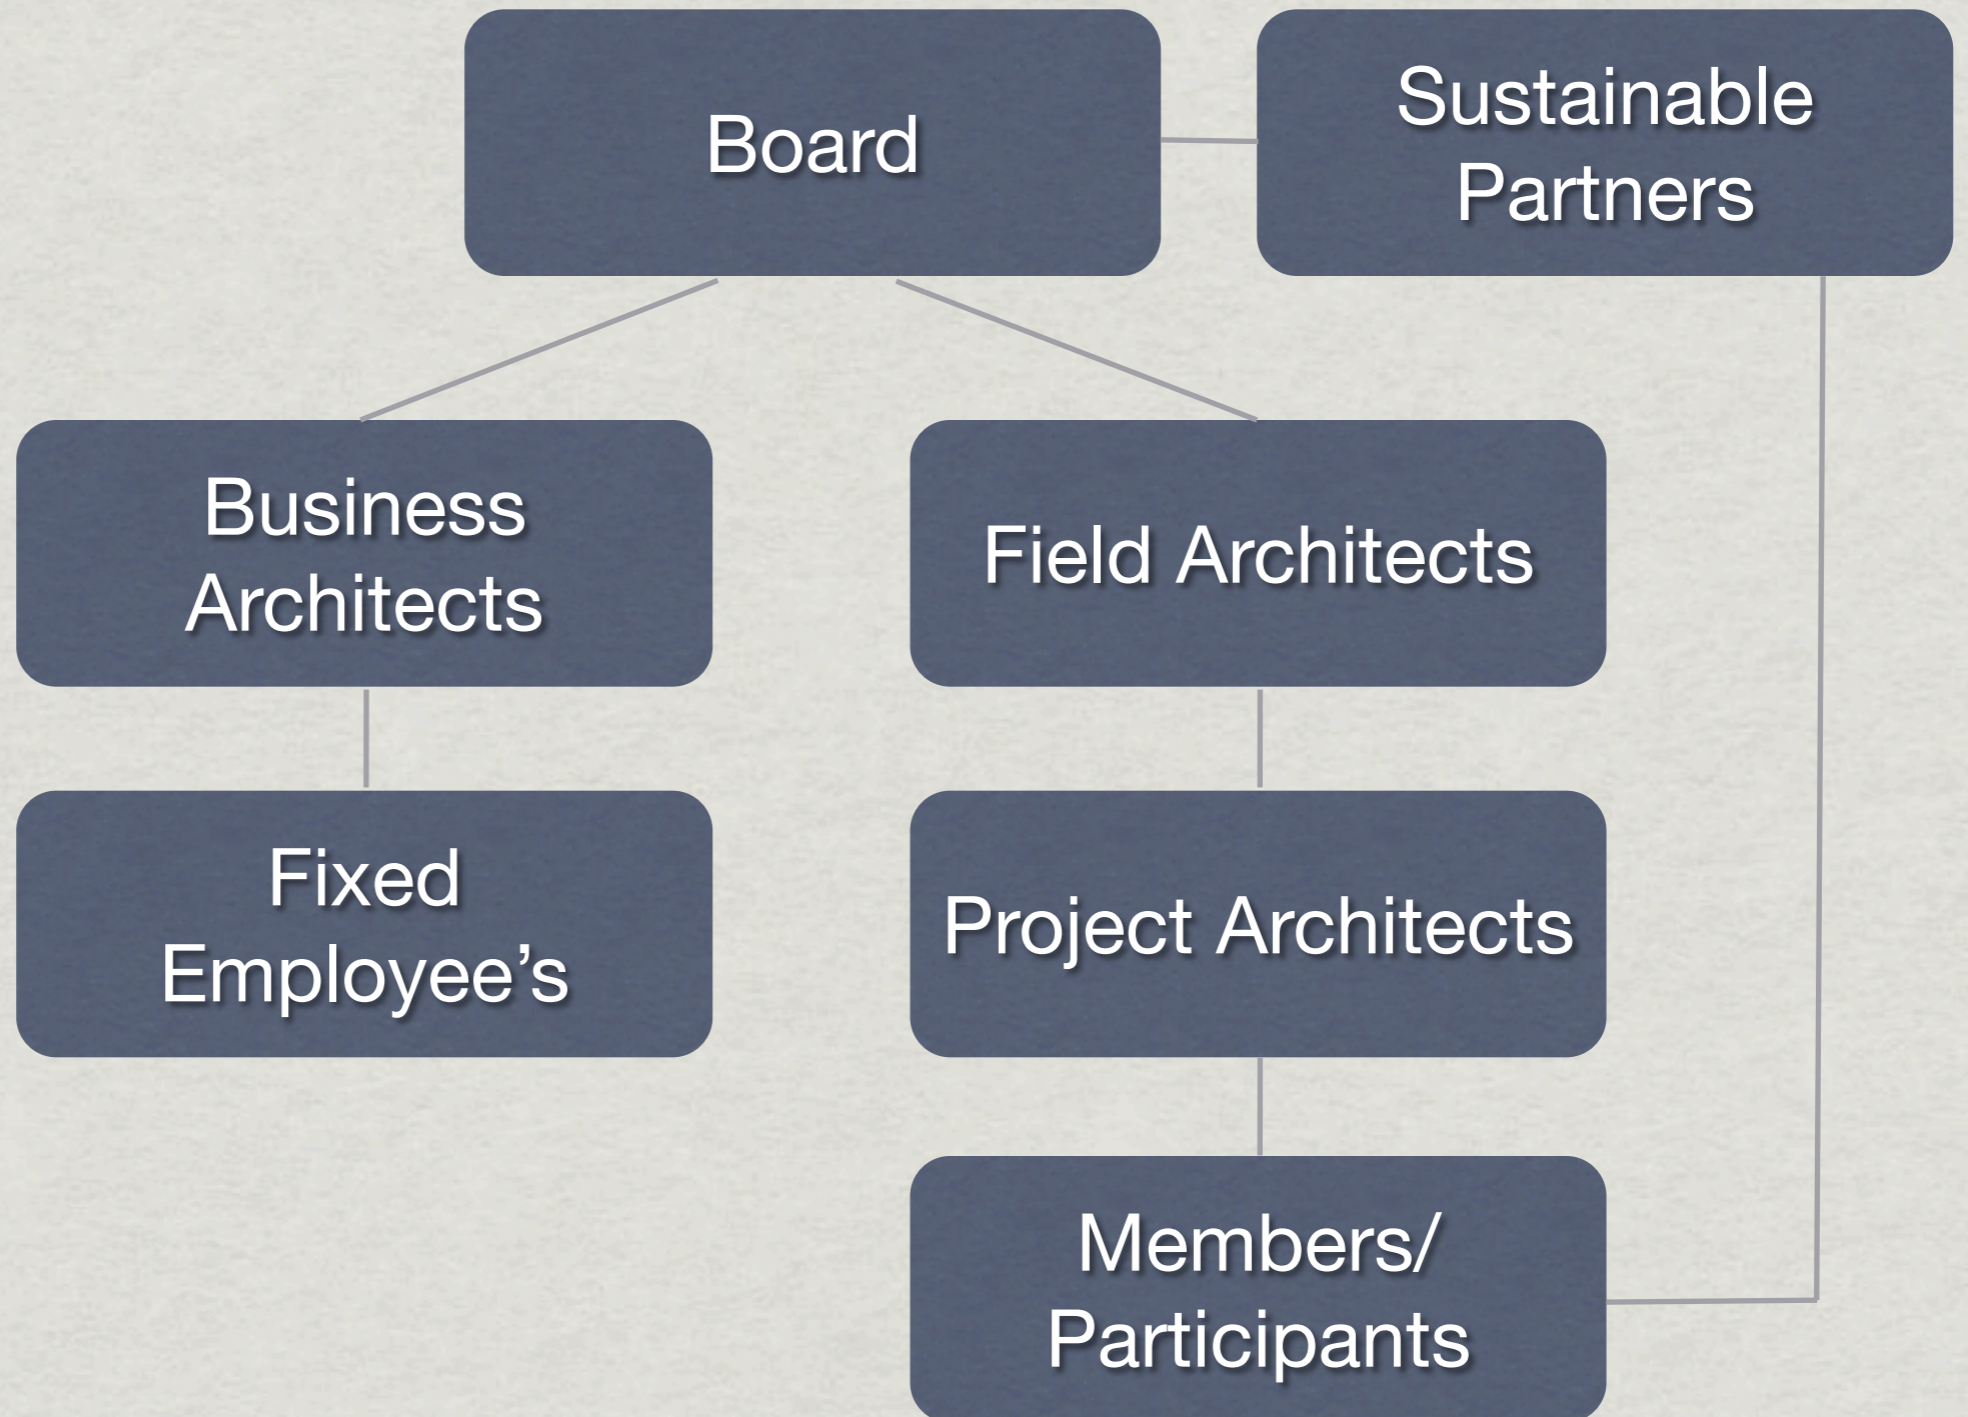

IT'S ALL ABOUT THE FUN...
IT'S ALL ABOUT THE EXPERIENCE...

Spirit of Freedom INGO
International Network Organisation

TARGET GROUP > FOR YOUNGSTERS FROM ALL AGES

FRAMEWORK > YDS - YITA

Growth

FRAMEWORK YDS

* Youth Development Society (YDS)

Is an informal platform by Youth for Youth. This platform provides networking between youngsters and youth exchange projects in a setting of Informal learning. Personal development & Entrepreneurship are the main focus.

The goals of YDS projects are:

- Creating Awareness
- Bring Youngsters in action
- Learn the principles of Informal learning
- Having Fun together
- Stimulate Personal development & Entrepreneurship
- Developing Youth work

In those projects Youngsters learn to take responsibility and develop their leadership skills in an informal way.

The purpose of YDS is giving Youngsters the opportunity to learn more about themselves where Informal learning and FUN are central themes. In that way they are able to learn to follow their dreams and take part of their own creating process in Life.

Growth

FRAMEWORK YITA

* **Young Intelligent Thinking Academy (YITA)**

The (YITA) is an informal learning platform for youngsters all over the world to develop their Entrepreneurs and social skills and look at their own believe system in an informal way. The (YITA) will consist out of a fixed infrastructure in Belgium & Bulgaria and a mobile unit to travel around the world. Professional trainers and coaches, following the principles of positive thinking and Universal knowledge's, will guide the participants in their process.

The goals of YITA are:

- Creating Awareness
- Stimulate Entrepreneurship
- Equality - Integrity - Integration
- Stimulate Personal development
- Financial Education
- Networking
- Sustainability

The purpose of YITA is providing trainings in a safe way for personal development and growth, in a way based on FUN, EXPERIENCE and informal learning. Participants will experience that they have a great power in them to create their own life by following their dreams.

Entrepreneurship

- * FINANCIAL EDUCATION
- * BUSINESS MODEL DEVELOPMENT
- * SKILLS DEVELOPMENT
- * CO-OPERATION/NETWORKING

TARGET GROUP > FOR YOUNGSTERS FROM ALL AGES

FRAMEWORK > YITA - YES

Entrepreneurship

FRAMEWORK YES

* Young Entrepreneurs Society (YES)

Out of the (YITA) we will create a Young Entrepreneurs Society (YES) where new Young entrepreneurs coming from (YITA) support each other to build their business.

The aim of the society is doing International business projects together and stimulates networking among the new young entrepreneurs according to our philosophy.

The purpose of YES is to pool expertises among Youngsters to become new entrepreneurs according the YITA Philosophy and give them a proper financial education so that they learn how they can take responsibility for there own actions and the results in their life.
