About The Venue

Our project will take place in the capital city of turkey, ankara. This megacity, whose population exceeds 5 million and 600 thousand, is a region where people have been used as a settlement for 5000 years. Being located right in the middle of Anatolia.

Ankara, Turkey's cosmopolitan capital, sits in the country's central Anatolia region. It's a center for the performing arts, home to the State Opera and Ballet, the Presidential Symphony Orchestra and several national theater companies.
