<p><b>Brief description of the organization:</b></p> <p>The Institute for European Integration is an NGO that provides training and educational opportunities to help young people develop the skills they need to succeed in the job market and in life. IEI is focused on creating mentoring programs that connect youth with experienced professionals who can offer guidance and support, offers leadership and entrepreneurship training to help young people to start their own businesses, encouraging civic engagement by providing opportunities for young people to get involved in community service and advocacy and promoting youth empowerment and participation in decision-making processes that affect their lives and communities. IEI’s mission is to promote EU values and strengthen regional and international cooperation.</p> <p><b>Some of our major goals:</b></p> <ul style="list-style-type: none"> <li>➤ Promoting social inclusion and cohesion by bringing together different communities and fostering dialogue and understanding among them</li> <li>➤ Advocating for the rights of marginalized and vulnerable groups, and ensuring their access to formal and non-formal education, services and resources</li> <li>➤ Raising awareness and combating negative phenomena through education, outreach and advocacy</li> <li>➤ Supporting development of policies and practices that promote integration and inclusion at the local, regional and national levels</li> <li>➤ Advancing sustainable development by promoting environmental conservation, climate action, social equity and economic prosperity</li> <li>➤ Promoting social justice and human rights by advocating for policy changes, awareness raising about social issues and holding governance institutions accountable</li> </ul>
