BACKGROUND AND EXPERIENCE

Please briefly present the partner organization.

The Kultur & Art Initiative e.V. (KAI) is a non-profit organization established in 2002, comprising of a diverse group of individuals from different nations, age groups, and professional backgrounds with extensive experience in youth work, refugees, migration, non-formal education, and media production.

The organization has been a leader in the International Short Film Festival Detmold since 2005, promoting intercultural and intergenerational exchange through its programs and initiatives.

What are the activities and experience of the organisation in the areas relevant for this application?

Our organization specializes in creating and executing intercultural projects. Our goal is to work with people from various ethnic backgrounds.

We approach promoting social and intercultural integration. Instead of passively consuming culture, we actively engage in cultural activities. We strive to enhance local well-being by providing formal and non-formal education and by supporting local organizations.

Furthermore, we aim to establish a link with the European level by collaborating with the Erasmus+ Program and Partner Countries. We have previously participated in several EU projects such as the Promotion of Civil Society Dialogue Between EU and Turkey, Civil Society Facility EU-Turkey Intercultural Dialogue Culture and Arts, and Youth Initiatives for Dialogue, among others.

Our partners include the Federal Foreign Office, Federal Ministry for Family Affairs, Senior Citizens, Women and Youth, Ministry of Culture and Science of the State of North Rhine-Westphalia, District government Detmold, Culture team of City of Detmold, LWL, Aktion Mensch, German-Turkish Youth Bridge, Hochschule Ostwestfalen-Lippe, Hochschule für Musik Detmold, local radio and television, and local associations.

We provide a variety of creative and project-based opportunities for our participants, including educational workshops in new media and international youth exchanges. We specialize in organizing "Erasmus+" projects and working in the fields of youth policy and youth work development. Our organization offers extracurricular youth activities, such as workshops, performances, and support in executing projects, all free of charge and open to those who are interested.

We have gained valuable experience and knowledge from numerous projects and EU youth exchanges & training courses abroad. We have developed expertise, knowledge, and skills in the field of Education and Europe and are always updated on the latest European Union policies and programs, allowing us to act as a multiplier. This has enabled us to manage, host and implement other ambitious and complex training.

Our office is located in Detmold, in the culture factory Hangar 21.

<p>What would be the motivation of participants from your organization to participate?</p>	<p>Participants in KAI are always conscious of their responsibilities and fulfilling their duties, while also recognizing the importance of fostering new ideas, understanding the value of teamwork, and the advantages of collaborating with other participants from diverse cultural backgrounds.</p>
<p>Please give information on the key staff/persons involved in this application and previous experience that they will bring to this project</p>	<p>The staff at the organization possess a wealth of experience and knowledge in EU youth exchanges and EU training courses abroad, as well as exceptional communication skills.</p> <p>Our youth leaders, who are experienced youth workers and managers, excel in coordinating youth and logistics management initiatives, organizing workshops and round tables, and conducting meetings and decision-making with local managers.</p> <p>They have gained expertise in multiple areas. Additionally, our team has developed strong skills and knowledge in the field of Education and Europe and are always updated on the latest European Union policies and programs, allowing us to act as multipliers.</p> <p>This enables us to manage, host and implement other ambitious and complex training initiatives.</p> <p>The founder, project manager and LEAR of KAI, Levent Arslan, has a background in dramaturgy and directing from Ankara University.</p> <p>He also studied at the University of Bielefeld and has experience in film-making, with his short films and documentaries screened at international festivals.</p> <p>He has been involved in organizing international events, such as short film festivals in Germany and Turkey, since 2005 through participation in the European Commission Programme.</p> <p>He has a strong background in project management, coordinating initiatives in the frame of Erasmus+ and Civil Society Dialogue programme between EU and Turkey, and is experienced in volunteering and collaborating with various organizations such as NGOs and local municipalities.</p> <p>Levent Arslan's responsibilities include designing, implementing, and evaluating training programs, using non-formal education methodologies, with a focus on topics such as active citizenship, intercultural dialogue, social inclusion, volunteering, and social entrepreneurship.</p>

Juliane Rönna is known for her extensive work with refugees and integrating them into new surroundings. She has skills in the field of youth exchanges, as well as migration and immigration. She has organized many Erasmus+ projects, training courses, and workshops. She has experience as a team leader in international youth work-camps and in coachings.

She has developed effective methods that help process negative experiences and trauma through role-play and creative collaboration.

Her skills include decision making, time management, people management, multi-tasking, teamwork, creative thinking, and problem-solving.

Juliane Rönna has studied social work and Islamic studies and speaks Turkish, Arabic, Kurdish, and English in addition to her native language German.

She has been working as a social worker for 25 years.

Yassin Eminoğlu has become an expert in youth work through his tenure with KAI, and currently holds the role of co-project manager. He has been with our organization for over a decade and has continuously taken on more responsibilities.

He has written many project proposals and assisted in the organization of numerous Erasmus+ youth exchanges and training programs.

He has developed strong experience in leading teams and organizing events both locally and internationally. His youthfulness and exceptional communication skills make it easy for him to connect with participants. He has participated in various training, conferences and youth exchanges which have helped him to be independent and work well in a team.

He is highly regarded for his excellent communication abilities, adaptability in multicultural settings, open-mindedness and ability to find innovative solutions. Yassin's responsibilities include communicating with participants, introducing new technical solutions, organizing on-site amenities, providing special trainings and ensuring that participants feel welcome and supported. In addition to his experience in youth work, Yassin holds a Bachelor of Science and a Master of Science in Mechanical Engineering from Rheinisch-Westfälische Technische Hochschule Aachen. This combination of technical expertise and youth work experience makes him a unique and valuable member of our organization.

Thomas Savvakis, Elina Möller, Luca Hauptfleisch, Tugay Büyüktepe, Fatih Şeker and Marlon Vogel are all young individuals who have been a part of our organization for a significant amount of time. They have gained a lot of experience through their work with us and are now involved in various aspects of our projects, including the writing and application phases. As organizers, they play an important role in ensuring that the needs of the participants are met. The presence of experienced young people in our team has proven to be beneficial for the success of our projects.

Participants with fewer opportunities

Will you select and include participants with fewer opportunities? If yes please specify the type of obstacles they face, describe their needs:

Educational Difficulties, Social Obstacles, Economic Obstacles, Geographical Obstacles, Cultural Differences, Refugees, Health Problems, Disability.

Please also describe their needs and the ways they need to be supported before and during the youth exchange

KAI always gives priority to disadvantaged groups and is of the opinion that the definition of these disadvantaged groups can never be restricted. Since the disadvantage will vary according to time and place, we are looking for a wide range of participants in each of our projects. Groups that are economically, geographically, culturally or sociologically disadvantaged are always at KAI's priority. For this reason, we always maintain elbow contact with local associations.

Refugees are always included in our projects on equal terms. We are always fighting for young people with limited opportunities to participate in our projects.
