

CALL FOR PARTNERS: Spice it UP!

Scout Unit Mirko Mileski, North Macedonia

Spice it Up! is a project for youngsters with fewer opportunities who are coming from a vulnerable background (NEET, facing economic, geographical, and social difficulties). Through this initiative, we aim to enhance employability and the feeling of inclusion and well-being of the youngsters, using cooking as a main tool.

We are looking for partners who are working with these youngsters, and each partner will send 4 participants (age 18-30) + 1 Group Leader (18+) to the exchange activity. We expect that our partners will support the preparation of the youngsters before, during and after the activity.

Days of the activity: 12 days (10 activity days + 2 travel days)

APV: April 2024
Youth Exchange:
June 2024

Local phase: August 2024
