### Recommendation letter for Katarina VUCKOVIC

To whom it may concern,

Ms.Katarina Vuckovic has been cooperating as participant and trainer with Youth Express Network for last five years, and since 2013. she is our Board member.

I must say that Ms Vuckovic has been very productive and committed in her work in field of involving and development of youth, social inclusion with youth, and voluntary work in Bosnia and Herzegovina and with in international work. She is cooperative and responsible Y-E-N member, performing all her tasks and assignments on time and with very good quality.

Ms Vuckovic is open minded person who has wide range of interests for various subjects peculiarly youth work,volunteering and social inclusion for youth. She is curious and seeks new knowledge and skills being ready to share this things to other people.

This proved to be a good contribution to development of new ideas and initiatives for our project and organization. She is reliable and communicative person, and wherever she appears, she is able to develop extensive network of contact with people, both personally and professionally.

Katarina shows a great interest and enthusiasm for community youth work, youth development and voluntary work. She is great practitioner with extensive experience in working with individuals and groups.

Having known Ms Vuckovic for over five years, I can confirm that she is ambitious, bright, intelligent and responsible person.

In summary, Katarina Vuckovic has been industrious member and I would unhesitatingly recommend her for any future employer and job, or training she applies for.

This is why Y-E-N and me personally support Katarina's application for projects, trainings and programs for youth.

Kindest regards,
