ORGANISATIONAL SKILLS

Organisational skills

I have acquired skills and organizational skills in the various positions held and community life, especially in the areas of planning (local, regional, national and international-program "Youth in Action/Erasmus+"), the coordination and management of the organization and of various activities (TC, Youth Exchange, Meetings and workshops workshops, ...) at various levels (local, inter-regional and international).

I also gained ability to manage groups in coaching and developing training programs and their logistics.

COMMUNICATION AND INTERPERSONAL SKILLS

Communication and interpersonal skills

Thanks to my natural attitude, supported by relational work experiences in the Association, and improved with the tools offered by the Master in counseling, I have developed several relational skills including the ability to work in teams, problem solving, conflict management, communication, and empathy.

These qualities have been developed through the cooperation with colleagues and in training courses and in collaboration / co-design with reference figures as members of municipal councils and officials, teachers and colleague and trainers from abroad.

These competences have been improved in project design and collaboration with international partners.

JOB-RELATED SKILLS

Job-related skills

- I have gained skills in European Projects Design (Erasmus+- especially KA1 Youth) and management and coordination of International Projects;
- Methods and techniques of facilitation in Youth and Adult groups; Training skills.
Counseling and Coaching techniques for individuals and groups.
