D. BACKGROUND AND EXPERIENCE

<p>Please briefly present the partner organisation</p>	<p>SYTEV is a civic association focusing on the recovery of society through charitable, educational, information and advisory activities by bringing Christian values based in Kysucké Nové Mesto working at the local, regional, national, and international level.</p> <p>The aim of the organisation is to support and development of activities on the local, national, and international level around non-formal education, using free time, cultural-social and volunteering practices for the public, making communities and networks of youth and focusing on the needs and requirements of people and their engagement to public life.</p> <p>SYTEV develops youth politics and raises interest in youth contribution on the local and national level. This is accomplished by the creation of a youth parliament in our city, which directly works with the city council. SYTEV helps youth express their opinion and support them in creating and organising local activities. Furthermore, SYTEV based youth centre which is a place for co-working for youth, a safe place, and an area of non-formal activities.</p> <p>SYTEV retains a valuable network of professional trainers and educational experts experienced in formal and non-formal education. The network is considered competent to contribute to the implementation of activities related to the initiatives of SYTEV and its partners.</p>
<p>Please briefly present the partner organisation</p>	<p>Mission</p> <p>Find hidden talents in young people so that they can direct their future and develop in what they enjoy and fulfil. Through our activities, we want to influence the young person, by shaping his personality, so that he is more interested in the environment in which he lives. To be sensitive to the environment and society not to be afraid to make a change.</p> <p>Vision</p> <p>Personally, and professionally develop young people who will sell their acquired skills and experiences to other youth, keep active youth in villages and towns and create young local communities.</p>
<p>Please briefly present the partner organisation</p>	<p>The target groups are teenagers and young people from 13 – 30 years old and youth workers and teachers 18+. The organisation consists of 5 main members (managers – head of assembly, project manager, accountant, head of city youth council, coordinator of Youth information centre and youth club), 15 youth workers (lectors, trainers, and facilitators) and more than 300 members/volunteers.</p> <p>Organisation's activities:</p> <ul style="list-style-type: none">- organizes universal activities for ensuring its mission;- cooperates with professionals, other associations and organisations, organizes cooperation with legal and natural persons;- provides publishing house – publishing activities to achieve the aim of the association;- provides permanent spiritual, educational and methodological formation for its members via courses, lectures, debates, stays in training facilities and other available options;- organizes cultural events, lectures, conference, discussion forums and meetings in both small and bigger dimension;- helps to develop small communities for children, teenagers and adults;- provides exchanges in foreign countries within its means and cooperates with foreign subjects for purpose of fulfilment of aims of the association;
