

Certificate

I hereby certify that

KAREN PONG

participated in the following project, implemented by
the Youth Department of the Council of Europe

YOUTH PEACE AMBASSADORS

From April 2011 until December 2013, the project trained youth leaders and multipliers for human rights-based peace-building activities supporting living together in dignity and dialogue in conflict-stricken communities.

The project resulted in the establishment of a European network of youth peace ambassadors, whose members use the experience acquired through the project to promote and apply the values of the Council of Europe in conflict-affected areas and communities.

Ms Karen Pong has been a committed and motivated learner and we rely on her to put into practice acquired competences in human rights education for the promotion of human rights, peace and intercultural dialogue with young people.

Strasbourg, 15 May 2014

Thorbjørn Jagland
Secretary General
