EDUCATION AND TRAINING

30/09/2012–06/06/2015 — **B.A in psychology and philosophy**

15/08/2015–28/08/2015 — **EFPSA Trainer**

European federation of psychology association

The TtT is an international, high level training course where participants interactively learn and explore different interrelated aspects of themselves using various learning, teaching and training theories and techniques.

Moreover, this highly intensive programme equips each participant with the necessary skills required to successfully design and deliver trainings to their national psychology student associations. All participants will be supervised by professional trainers and will acquire skills, knowledge and the necessary attitude to become competent trainers of a professional standard.

04/05/2017–26/05/2017 — **CELTA (Certificate in English Language Teaching to Adults)**
- Have gained essential knowledge of the principles of effective English teaching.
- Have developed a range of practical skills for teaching English to adult learners.
- Have demonstrated your ability to apply your learning in a real teaching context.
- Are ready to begin working in a variety of ESL teaching contexts around the world.

Betapsi – *University Psychology Student Association*

Betapsi is a Non-Governmental Student Organisation made up of active Psychology Students, who work on a voluntary basis throughout the year. Betapsi represents all students of psychology within the University of Malta and Junior College, and strives to create a community of students that are active, engaged and involved within the field of psychology, both locally and internationally. We create events both inside and outside university, that promote informal education, inclusion, involvement, health and which raise awareness about various issues in society.

Mandate 2014-2015 : **Vice-president**
Mandate 2015-2016 : **President**

ADDITIONAL INFORMATION

Hobbies and other skills

- Have been doing theatre for the past three years, and occasionally do theatre workshops with adults and teens.
