### Work experience

Dates Since July 2019

Occupation or position held Facilitator and Learning content editor

Main activities and responsibilities I am a member of a team of 4 in the planning and implementing of the first [e-learning training MOOC](#) (Massive Open Online Course) on the European Solidarity Corps program for the UK National Agency. The project is still running and it has at this moment over 1400 enrolled learners from 72 countries. My tasks range from cooperating to the project writing to developing the learning content and facilitating on-line forums and webinars.

Name and address of employer Nectarus, Vilnius, Lithuania

Type of business or sector NGO active in the non formal and digital education fields.

Dates Since November 1999

Occupation or position held Trainer, Project manager and Learning designer

Main activities and responsibilities I work for the Associazione Interculturale NUR NGO on a per project base and my tasks range from writing projects for grant submission to managing approved projects, from delivering specific training activities to monitoring and evaluating project's outcomes. In the past 20 years I've written and run a number of approximately 60 different projects for the association in the fields of non-formal education, intercultural learning and youth mobility, specifically ranging from EVS (now ESC) projects, youth exchanges and training courses. I am also in charge for the management of the association's international partnerships.

Name and address of employer Associazione Interculturale NUR, Via dei Colombi 1, 09126, Cagliari, Italy

Type of business or sector NGO active in the social and education fields.

Dates Since 1997

Occupation or position held Trainer, Facilitator, Project manager, Learning content designer, Webmaster

Main activities and responsibilities (with specific focus on NFE and digital tools) Through the years I've played different roles connected with education. My most relevant tasks have been tightly linked to EVS (and now ESC) having written and managed over 15 hosting projects, trained over 1000 volunteers, NGO EVS staff and mentors (with 30+ training courses delivered including pre departure, on arrival, mid term evaluation, post project final evaluation, mentoring, EVS management, Contact Making Seminars) for the Italian National Agency for Erasmus+, for SALTO centres and other NA's since 2003. Due to the COVID-19 crisis, I have been called by the Italian NA to design, together with 4 more colleagues, the format of the first online training cycle for the ESC volunteers and tested the first TEC course delivered digitally in April 2020. In the specific field of EU financed volunteering programs I have also been involved as an NGO accreditor in MEDA countries. More generally in the field of youth work, mobility and NFE I often deliver training courses aimed at NGO staff, youth workers and other trainers on topics ranging from e-learning

	<p>courses management to youth leadership development, from digital citizenship to photographic communication. Over the years, I've specialized on developing projects, courses and tools to facilitate the use of digital tools in the learning process and from the point of view of digital literacy. Since the mid 90's I have also designed and managed complex web sites for NGOs and specific projects and events in the NFE field. I also have a long experience in the vocational education field writing, assessing and managing training courses.</p>
