RIKTER ADAM

In 2020 I realized how important is to work in the remote friendly field so as a first step I started to work in the IT sector in and adapted my knowledge as a soft skills trainer as well to the virtual world. Since 2020, I have been a product manager and customer support for 2 software products with 170 customers.

LEADERSHIP EXPERIENCE

I was the cofounder, CEO and the heart of the first coworking office in Miskolc, Hungary from 2017-2020. My leadership experience alongside with my personality and mindset have been boosted in many ways including coordination, business and cultural event organisation, financial planning, creativity, problem solving, negotiation technique, customer service, networking, business thinking, online communication, coordinating a short own podcast and project management.

SOFT SKILLS TRAINER

In 2017 and 2018 as a trainer I not only participated but also delivered a one week long training course as part of a small international team in Belgium during the Training of Trainers for European Erasmus+: Youth in Action Projects edition 2017/2018. It's highly important to me to keep investing into myself to improve my professional skills. For continuous development I attended in 6 seminars in 6 different countries since 2015.

As a soft skills trainer I also have experience in delivering trainings in Hungary in the topic of negotiation, teamwork, DISC, development of job competences. Since 2019 I continuously deliver trainings for locomotive drivers to develop their job competencies like concentration, active listening, cooperating, problem solving, DISC, stress management.

I also delivered trainings to ESC volunteers by Erasmus+ for young people from all over Europe and for youth workers in Belgium in the topic of youth participation.

I would welcome the opportunity to discuss further details of the position with you.
