CAREER OVERVIEW

With over 14 years of expertise in international project management, youth work, youth development, coaching, and mentoring, I have honed my skills in fostering growth and empowerment. Recognized with the Best Youth Worker Award in 2021, I am committed to making a meaningful impact in the lives of young individuals. As a certified trainer in NFE, NLP, and CBT, I am dedicated to facilitating personal and professional growth. I proudly serve as the Founder and Director of Addo Academy, an innovative startup aimed at empowering individuals through education and training. Additionally, I hold the position of Chairman at the youth organization, CYP. Leveraging my passion for education, I have authored learning tools tailored for non-formal education, furthering my commitment to fostering learning and development.
