#### **ABOUT ME**

I am a dinamic and enthousiastic woman from Italy. Inclusion and well being of people have always been my mission I am looking for any opportunities where to foster it. Thanks to my visual impairment I learnt to overcome barrieers and transform them into new positive challenges. Learning, travelling and meeting new people made me reacher from personal and professional level.

While living abroad (Spain an Germany) I could aquire c1 certificate (Deutsch fuer die Hochschule Max-Weber Haus Heidelberg in 2009) and c1 in spanish (centro de educacion para adultos de aviles in 2014).

During my high school I took the first fce certificate Cambridge (b2 for English) and the dalf (diplome de langue française) b2 for french.
