### Recommendation Letter Mohamed Chiker

To whom it may concern,

This letter is my personal recommendation for Mohamed Chiker. Until just recently, I have been Mohamed's immediate supervisor for the last year. I found him to be consistently pleasant, tackling all assignments with dedication and a smile.

Besides being a joy to work with, Mohamed is a take-charge person who is able to present creative ideas and communicate their benefits. I thoroughly enjoyed my time working as his manager, and came to know him as a truly valuable asset to our team. He is honest, dependable, and incredibly hardworking. Beyond that, he is incredibly responsible, has attention to details, is able to learn fast, is not afraid of new challenges and is always open to share his experiences with other young people.

His soft skills and expertise in international programs was a huge advantage to our entire office. He was extraordinarily helpful writing effective projects in several languages, he assumed leadership roles setting assignments while inspiring and motivating others. His multicultural background helped us to organize international events where I could notice how easily he understands and reads others' feelings, thoughts and behaviors.

I highly recommend Mohamed for joining your team. He is a team player and would make a great addition to any organization.

Please feel free to contact me if you want to discuss Mohamed's qualifications and experience further. I would be happy to expand on my recommendation.

Sincerely,

Manuela Demel  
Project Manager
