

Nejc Benčič

Professional Summary

Experienced trainer and strategic partnership manager specializing in Erasmus+ programs and digital transformation in youth work. With a strong background in designing and delivering impactful workshops, I empower organizations and youth workers to embrace digital tools, establish thriving online communities, and innovate in their approach to social inclusion, education, and engagement.

Key competencies include:

- Digital transformation in youth work
- Coordinating a Digital youth center
- Leading workshops (Digital transformation and Street-based youthwork).
- Strategic planning and consulting
- Erasmus+ program management
- Workshop design and delivery
- Marketing and outreach strategy
- Building partnerships and collaborations across sectors

Facts about me

- Worked on all stages in youthwork development (volunteer, student, employee, mentor).
- Got an award for Best mentor of youth in Republic of Slovenia (2021), awarded by Slovenska Filantropija.
- Played in a heavy metal band for 10 years.
