ABOUT ME

I am a Euro-Mediterranean interdisciplinary multipotentialite and development enthusiast. I identify problems and bottlenecks and propose actionable solutions and initiatives to tackle them. I build projects and strategic partnerships, strengthen networks, and lead impactful outreach.

I possess strong and solid skills in international development project coordination, event management, engaging facilitation and training, and social media influencing in the Euro-Mediterranean region.

WORK EXPERIENCE

Anna Lindh Euro-Mediterranean Foundation for the Dialogue Between Cultures - Remote

Networks Engagement Officer

[17/05/2026 - Current]

Support the the Projects funded under the Interreg NEXT MED Mediterranean Youth for Creative Impact (MED-Y.C.I) Programme implementation, including but not limited to:

• Participate in technical committees responsible for evaluating applications submitted by potential beneficiaries of the projects funded under the Programme.

• Support the technical and logistical coordination of face-to-face events.

• Support procurement processes for goods and services in line with approved budgets.

• Contribute to the preparation of technical reports for projects funded under the Programme.

• Perform other agreed tasks in support of the implementation of activities planned under Programme funded projects.

Support the Paving intergenerational pathways to inclusive societies in the Euro-Med implementation, including but not limited to:

• Support the technical and logistical coordination of face-to-face events.

• Contribute to the drafting of Terms of Reference (ToRs) for consultants and technical assistance providers.

• Follow up with project stakeholders, including transnational target groups and donors, regarding the implementation timeline of activities planned under the project.

• Support technical coordination of the online events and capacity enhancement sessions

• Perform other agreed tasks to support the implementation of activities planned under Programme funded projects.

Support the operation foreseen under Network Engagement Scheme contracts implementation, including but not limited to:

• Serve as the focal point for assigned ALF Civil Society Networks.

• Evaluate and maintain records of proofs of implementation submitted by Heads of National Networks for

tasks and activities carried out under the Network Engagement Scheme contracts.

• Support HoNs from assigned Networks in formulating activities proposed under NES .

Anna Lindh Euro-Mediterranean Foundation for the Dialogue Between Cultures - Egypt, Alexandria

Programmes Officer

[17/09/2023 - 16/05/2026]

Coordinated the implementation of the YCSLP, Med Dialogue for Rights and Equality II, funded by DG MENA:

- Managed relationships with key institutional and implementation partners.
- Designed and implemented calls for applications and selection processes for young civil society leaders across three programme cycles.
- Coordinated the delivery of online and in-person capacity-building programmes, including training modules, mentoring, and community-building bootcamps held in the Euro-Mediterranean region.
- Led the identification, recruitment, and contracting of Non-Key Experts, including defining training topics, selecting experts, and coordinating their assignments.
- Supervised and monitored 74 community-based actions implemented across 10 South Mediterranean countries, including deliverables-based evaluation and payment processes.
- Led MEAL processes across three programme cycles, including evaluations, monitoring, learning, and reporting.
- Managed granting and contractual processes for community-based Projects, including the preparation of Global Price Contracts and follow-up on implementation.
- Coordinated field missions, programme events, seminars, and stakeholder meetings, including contributing to the organization of the ALF Forum in Albania.
- Prepared and consolidated programme documentation, progress reports, evaluations, and final narrative reports, ensuring accurate and timely reporting to programme management and donors.
- Worked cross-functionally with ALF's Public Policies, Regional Programmes, Communications, Quality Control, and Fundraising Units to ensure effective programme delivery and institutional coordination.

Coordinate the Challenging Inequalities Programme | Funded by AECID

- Coordinated the monitoring and evaluation of 16 partner community projects across 8 countries, ensuring progress against objectives, deliverables, and expected results.
- Led MEAL activities, including monitoring, evaluation, learning, and final programme reporting.
- Coordinated the development of programme learning products and contributed to capturing and disseminating lessons learned and good practices.
- Led the organization and delivery of regional seminars, online and in-person trainings, and knowledge-exchange activities for programme partners and civil society organizations.
- Supported programme coordination, stakeholder engagement, documentation, and other activities contributing to the effective implementation of the programme.
